

H. LEE MOFFITT
CANCER CENTER
& RESEARCH INSTITUTE

At the University of South Florida

Dear Jay,

I can't begin to tell you how wonderful the response has been to the new Moffitt Cancer Center videos. They were the hit of the evening at the Gala Preview and were lauded as well at the Dedication.

However, what makes me happiest is the feedback we're getting from Moffitt employees, who, of course, know the Cancer Center best. Everyone is genuinely impressed with the quality of the presentation and the content. I've heard raves about the scriptwriting from some very tough critics, and everyone is thrilled with the beautiful visuals.

Thank you, Jay, for a terrific job. As always, it was a pleasure to work with you, Dan and April. We look forward to future projects!

Warmest regards,
